

Irina Zivitz

Junior Software Developer

Philadelphia, PA • (856) 266-7496 • irina.woodward@gmail.com • LinkedIn

Enthusiastic professional with a strong foundation in software engineering principles and hands-on experience in designing, developing, and implementing applications using a range of technologies including Java, Spring Boot, and Vue.js. Committed to developing clean, efficient, and scalable code that addresses user and business needs.

KNOWLEDGEABLE IN

- SDLC
- Database Management
- Project Management
- Web Development
- Unit Testing & Debugging
- Stakeholder Engagement

TECHNICAL SKILLS

Java, HTML, CSS, JavaScript, Spring Boot, Vue.js, JDBC, Table Design, SQL, PostgreSQL, E/R diagrams, Agile, Unit Testing (JUnit), Integration Testing, Git, IntelliJ, Web APIs, REST

TECHNICAL PROJECTS

- **E-commerce website:** Created a RESTful API web service that provides a smooth online shopping experience. Server-side code, implemented with the Spring Boot framework, supports a shopping cart system, seamlessly integrating with a PostgreSQL database using the DAO pattern. Authentication controls access to the REST API endpoints, ensuring data security, while integration with external APIs enhances functionality.
-

PROFESSIONAL EXPERIENCE

Jazz Pharmaceuticals, Philadelphia, PA Specialty Sales Consultant

2016 – 2018

Drove direct promotion of non-opioid IT pain medication, leveraging strategic business relationship development with Interventional Pain Specialists to boost product awareness, expand market share, and meet sales objectives. Utilized product knowledge and market insights to tailor engagement strategies in line with provider needs.

Key Achievements/Contributions:

- Secured top-ranking territory status through strategic market penetration and relationship management.
- Cultivated new key opinion leaders to enhance brand visibility and influence within the medical community.

Jazz Pharmaceuticals, Philadelphia, PA Sr. Product Manager, Oncology BU and other roles

2009 – 2016

Spearheaded creation and implementation of Erwinaze brand plan, leading field training initiatives, and managing a comprehensive speaker program. Drove peer-to-peer educational promotion, including the development of speaker bureau, content creation, and the management of both live and virtual speaker events.

Key Achievements/Contributions:

- Developed and implemented U.S. brand strategies in collaboration with sales, training, medical affairs, and key opinion leaders to drive substantial market growth, boosting annual sales post-US launch
 - Headed \$5M oncology franchise promotional budget to ensure cross-functional team collaboration.
 - Oversaw the Erwinaze product portfolio, achieving \$120M in sales.
-
